Kenny Cole Announced as Jamestown Town Manager

Mr. Kenny Cole has been appointed as Jamestown's Town Manager. Mr. Cole will join the Town of Jamestown on May 30, 2017. He will bring with him 17 years of local government service including 10 years of public sector service. His management experience including work for the Town of Coats, Lee County, and work as a civil engineer to a variety of communities in North Carolina. He is a graduate of North Carolina State University with a bachelor of science in civil engineering.

As Town Manager in Coats, Kenny was responsible for the Town's Police, Public Works, Library, Recreation, and Planning Departments. Kenny has been involved with many projects including main street revitalization, construction of courthouse and jail facilities, water system expansions, and construction of sports complexes. His work has focused on improving the financial condition of the communities he has served along with improving accessibility of services to the citizens.

"The Town is very enthusiastic about Kenny. The Council and staff are excited about this new opportunity for the Town of Jamestown." said Mayor Keith Volz.

Kenny is returning to the area his family lived several years ago. Kenny believes in being an active member of his community and looks forward to being a part of the Jamestown community. He, his wife, and son will reside in Jamestown.
