3. (FOR NONCONTIGUIOUS PROPERTY) The property proposed to be annexed is now outside the Town of Jamestown. It may, or may not, qualify for immediate annexation. It is understood that to qualify for noncontiguous annexation, it must be within three miles of the primary corporate Town limits of the Town of Jamestown and none of the property must lie closer to the primary corporate limits of another city, town, or village than to the primary corporate limits of the Town of Jamestown (exceptions for Annexation Agreement Lines apply).

The owners further agree that they will not Petition another town, village, or municipality for annexation and that such a Petition, whether made prior to or after the signing of this Agreement, will be considered a breach of this Agreement. Upon annexation of the described property, or any part thereof, into a city, town, village, or other municipal body, which does not have a current water and sewer agreement with the Town of Jamestown, water and/or sewer service will be terminated to the property until such time as a bilateral municipal agreement becomes effective.

Upon breach of the Agreement, either by withdrawal of the Petition for voluntary annexation or voluntarily petitioning for annexation into another town, village, or

municipality, or being annexed into a municipal body which has no water and sewer services provided hereby to all, or part, of the property described above and the owners, successors in interest, tenants, lessees, or licensees of the property shall have no claim for damages, or other relief, as a result of such termination.

It is the intent of the parties to this Agreement that the Town will furnish the described public utility services to the described property and that the property, in its entirety, shall be annexed into the Town either immediately, or when statutory conditions for annexation are met and the Town, in its sole discretion determines that annexation is appropriate.

The conditions contained herein attach to, and shall run with, the described real property.
